Art Skills Handbook F-6: Sequential Planning Guide for Teachers

BK552 by Kate Hart

The go-to guide of artroom strategy & planning. Discover the building blocks of putting together an art class from Foundation through to Year Six. Includes practical steps in developing art skills through the seven areas of art: Drawing, Construction, Modelling, Collage, Painting, Printing and Textiles.

Designed for Primary Levels - Foundation to Year 6

Elements & Principles of Art Charts Suitable for Primary Levels

PR101 13 x A2 Cards

Suitable for Primary Levels. This pack contains 13 cards exploring the Elements and Principles of Art. The Art Elements are the building blocks we use to make artworks. They are Colour/Value, Line, Space, Form, Texture and Shape. The Art Principles are the ways in which the Art Elements are used & combined in a work of art for the personal expression of ideas. They are Contrast, Repetition/Pattern, Emphasis, Balance, Movement & Unity.

Includes teacher notes & student artwork!

Paper & Cardboard: Skills & Construction Charts

PR102 Pkt of 6

Includes six charts covering paper and cardboard – sculpture, construction and engineering. Each chart has clear and colourful visuals, and are labelled with a skill or technique that students of all ages can understand. A2 Size.

Modelling Skill & Technique Charts

PR103 Pkt of 7

Includes seven charts, each one covering a different aspect of hand building. Each chart has clear and colourful visuals, and are labelled with a skill or technique that students of all ages can understand. A2 Size.

The Creative School Supply Company recommends teachers and schools work in consultation with their local Aboriginal Communities (start locally and extend out geographically) when designing teaching and learning activities. Art and craft products are intended as a starting point for meaningful making and responding lessons; and discussions within this context should enrich student understanding whilst acknowledging, respecting and valuing Aboriginal identities and cultural expressions. Any art making tasks that replicate Aboriginal cultural expressions must be done in consultation with the appropriate Aboriginal people (owners of that cultural property).

Background

Tools included

Scratch Australian Animals

SA011 Pkt of 30
